Request Board approval for the Los Angeles County Sheriff's Department (Department) to accept a grant award in the amount of \$142,504 from the California Department of Parks and Recreation (CDPR) for the 2008-09 Off-Highway Motor Vehicle Recreation (OHMVR) grant program. This grant is for a 12-month period from July 1, 2009, to June 30, 2010, with a required 25 percent (\$35,626) in-kind match for a total program cost of \$178,130. This is an ongoing program in its sixth year of funding.

IT IS RECOMMENDED THAT YOUR BOARD:

2. Authorize the Sheriff, or his designee, to execute and submit all grant documents, including, but not limited to, applications, agreements, modifications, amendments and extensions, and payment requests which may be necessary for completion of the project.

A Tradition of Service

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The primary objective of CDPR's 2008-09 OHMVR grant program is to provide funding to selected law enforcement agencies in order to protect natural resources and enforce laws that regulate the use of off-highway motor vehicles and associated equipment. In meeting this objective, the Department will use the grant funds to implement off-highway vehicle enforcement projects administered by the Department's Santa Clarita Valley (\$82,570) and Palmdale (\$59,934) Stations.

The goal of the Department's Off-Highway Vehicle (OHV) project is to reduce incidences of off-highway vehicle related offenses and code violations throughout the jurisdiction of Santa Clarita Valley and Palmdale Stations, as well as the Lancaster and Crescenta Valley areas.

In order to successfully reduce the types of offenses and violations identified above, the Department will utilize the grant funds specifically to retain sergeant and deputy personnel on an overtime basis. These sergeants and deputies will be responsible for identifying and targeting areas where violations are highly prevalent, and conducting coordinated enforcement efforts throughout the identified region. In addition to the Department's active involvement in the project, the Department will also collaborate with the United States Forest Service to ensure that efficient and productive enforcement of the problem areas exists during peak times such as weekends and holidays.

Implementation of Strategic Plan Goals

The Department's OHV Enforcement Program, a multi-station effort directed at enhancing OHV enforcement operations, meets the County of Los Angeles' Strategic Plan, Goal 3, Community and Municipal Services; and Goal 5, Public Safety.

FISCAL IMPACT/FINANCING

This continuing grant award is for \$142,504 with a required 25 percent in-kind match of \$35,626, for a total project cost of \$178,130. The in-kind services will be provided by the Department. Funding for this program has been included in the Department's FY 2009-10 Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

A resolution, required by the CDPR, as part of the application process, was previously adopted by your Board which authorizes the Department to submit the grant or an application. This Board letter has been reviewed and approved as to form by County Counsel.
